November 3 - Organic IPM  
November 10 - Herbs and Edible Flowers  
December 8 - Starting Seeds Inside, Planning Year Round Garden

Hands on practice will be conducted in the garden during each class, so come prepared to get a little bit dirty. Nothing is very strenuous. Certificates of Completion will be given at the awards ceremony at the end of the calendar year for anyone who completes all 8 classes. Make-up sessions can be completed in a different session if necessary.
