Extension Master Gardener<sup>SM</sup> Volunteers  
Of Brunswick County

## SPRING 2024 PLANT SALE UPDATE

The Extension Master Gardener<sup>SM</sup> volunteers of Brunswick County are excited to announce some of the special selections planned for our Spring Plant Sale on **Friday, May 3, 2024 (Rain date May 4)**, beginning at 9:00am to noon (or sell-out). The sale will take place behind the fenced area across the road from the Botanical Demonstration Garden off Referendum Drive in Bolivia, NC.

We are thrilled to offer four varieties of native Azaleas not readily available from retailers. Keep an eye out for the Tractor Seat plant (*Farfugium giganteum*), the Paperbush plant (*Edgeworthia chrysantha*), Chinese Snowball tree (*Viburnum macrocephalum*), and the 2024 Landscape Perennial of the year, *Amsonia* 'Storm Cloud.' We will also have selections of Japanese maples, blueberry bushes, *Michelia* 'Stellar Ruby,' Hydrangeas, Hibiscus, Pineapple Guava (*Acca sellowiana*), vining plants, and much more.

Plan to come early for the best choices as we must manage the customer flow from the selection area to the checkout tent. Most shrubs will be 3 gallon size. Prices will vary and quantities may be limited based on availability. We hope you will also visit the Botanical Garden where we will have docents available before and during the sale to answer questions. All profits from our plant sales are used to help maintain the gardens and support educational and outreach efforts of the Brunswick County Cooperative Extension.

Rain barrels will also be available for purchase, \$75 each.

**For questions, please contact us at [bcmgvat@gmail.com](mailto:bcmgvat@gmail.com) Come see us on May 3rd!**

**PAYMENT METHODS ACCEPTED – Mastercard and Visa credit cards only**

For this sale, we will accept payment by **cash, check, or Mastercard / Visa credit cards** (please be aware that credit card users will pay an additional 3 percent to cover the charges by credit card companies).

**In the event of inclement weather any changes to time or date will be shown on our association websites, [bcmastergardenerva.org](http://bcmastergardenerva.org) and [bcmgva.org](http://bcmgva.org).**

On the following pages you will find a list of plants that we hope to have on hand for the Spring Sale, but like the weather, it can change.

N.C. Cooperative Extension does not discriminate in program admission or access, in the treatment of program participants, or in the provision of services. Extension and its employees may not participate in, provide support to, or partner with any individuals, organizations or entities that would result in a program that excludes, restricts, or denies any person from participation because of race, color, national origin, age, sex, or disability.

"In compliance with the Americans with Disabilities Act, NC State University will honor requests for reasonable accommodations made by individuals with disabilities. Please direct accommodation requests to: Extension Director at 910-253-2610. Requests can be served more effectively if notice is provided at least {10} days before the event."
